

## Hi-Lites Of Seaside Heights

By GRAYCE RYCKMAN  
FRONTIER 5-2110

Big party week in the Heights... three as a matter of fact on Oct. 25. Little Danny Spear of Vanderhill Rd. reached the fine old age of five on Oct. 24, and celebrated with a Hal-loween motif party the next day. Guests included neighboring children and many of their mothers. These, all of Vanderhill, were Mrs. Roscerantz and her three, Earl, Linda and Sandra; Mrs. Reed and Christopher; Mrs. Priestly and her three, Janet, Bobby and Greg; Mrs. Caudill and Larry; Mrs. Moore and Shirley; and Danny Lawson. Also present were some friends from Hermosa Beach.

May we take this opportunity to wish Caroline Phillips of Bindevald Rd. a happy birthday? Her birthday was Oct. 25 and they celebrated it twice. Once with a friend whose birthday is also in October, and again last Saturday night.

It is also a belated "Happy Birthday" to Dorothy Belleu-moore of Macafee. Birthdate... Oct. 26.

Another party on the 25th was the highly anticipated Halloween party for the Brownie Scout Troop 1058. This was given at the Yerkes home in the Rancho. Norma Ledbetter, troop leader Bertha Johnson and co-leaders Gladys Anderson and Lola Yerkes supervised the games and fixed the refreshments. The Brownies participating in the fun, each dressed in her mother's clothing and "jewels," were Bonnie Johnson, Susan Slover, Susan Yerkes, Barbara Ledbetter, Judy Thelma and Judy Ryckman. Pat Farnham, Peggy Whyte, Nancy Drumright, Betsy Newborn, Maurita Morris, Carolyn Wad-ingham and Carolyn Roettger, Sharon McVey, Janet Anderson, Heidi Schmitz, JoAnn Brizius, and Elaine Malan.

And the other party last Saturday, Oct. 25, was the bridal shower party given by Joan Fil-giano at 8265 Bindevald Rd. for her sister, Patricia Poliquin, of Ontario. Thirteen women friends of the bride-to-be were present and were later joined by the bride, Sandwichee, ice cream and coffee were served. The wedding is to be in Chino, on Nov. 8, and Patricia Poliquin will be Mrs. Claire Parontaux.

As most of you have heard and read, it is Community Chest time again. A very important thing this house-to-house money-raising drive. Many of our own...

## Torrance Physician Endorses County Flood Control Measures

"Proposition B is the most important measure on the November 4th ballot, because it directly concerns the health and safety of every citizen of the county," Dr. Kurt S. Shery, prominent Torrance physician, declared. "This proposition will provide protection against disease and storm damage," Dr. Shery said, "by providing for construction of a desperately needed county-wide system of storm drains."

"Our own health authorities are warning against the many diseases that our present inadequate storm drainage system can cause," he declared. Epidemics spread Dr. Shery quoted County Health Officer Dr. Roy Gilbert as saying that flooded cesspools and sewers can spread epidemics of typhoid, paratyphoid, bacillary and amoebic dysentery, salmonellosis, and equino encephalitis.

## Caller Named for Jeans And Calico Dance Club

Carl Malkom will do the calling when the Jeans and Calicos Square Dance Club meets at 324 Neptune Ave. in Wilmington Saturday evening. Music from a three-piece orchestra will furnish the background as Malkom calls for advanced dancers. The Jeans and Calico Club is a member of the South Coast Assn. of Square Dance Clubs, and is now planning to attend the big "Hoe Down" the following Friday, Nov. 7, at the Sunny Hills Hall in Fullerton. Tickets for the "Hoe Down" will be available at the J and C. dance Saturday, a club spokesman said yesterday.

men of Macafee last Sunday. For Mr. Shanks and son, Michael, and for Alex Belleu-meur it was nothing new. But for four-year-old Gary Austin it was his first time and he was thrilled to pieces. They fished off the Redondo pier, and Gary learned to bait his own hook and remove the fish he caught.

Everyone affected is very happy that we now have school bus service. In case you do not know... the bus service we now have is due to the efforts of Myrtis Nix and Dee Callahan.

ing the danger of severe epidemics." Under Proposition B, the entire county will be provided with an integrated system of storm drainage ditches, Dr. Shery explained. He called attention to the fact that every section of the county will benefit from passage of Proposition B. "The storm drain bond issue is the result of combined planning by every single agency in the county concerned with flood control." It is both non-political and non-controversial.
